## Transportation Service- Policy

In applying for the A.I.S. Transportation Service, I agree to the following:

- Transportation Fees are to be paid termly as per school given deadlines.
- Notice of one month (30 days) is required for the discontinuation of the transport service. A refund of the fee, pro rata, will be reimbursed to the parent.
- Students will be collected from the street outside the house or from a safe pre-designated meeting point. They are to be supervised by an adult until the bus arrives.
- The bus will wait a maximum of one minute past the scheduled collection time.
- Students will be dropped off in the afternoons at the house or a pre-designated drop off point, but must be collected by a parent. Students will only be dropped off at the house without being met by a parent if written permission is given.
- Parents must notify the school if their child is not going to use the transport system. A mobile telephone number will be provided to you in order for you to make contact with the driver.
- If a student misbehaves, the School reserves the right to discontinue the service.

Annual Transportation Service Fee is 350JD (per child).
